The U.S. Geological Survey has recently established an Extramural Program as a part of its Geothermal Research Program. Organizations interested in submitting unsolicited proposals for geothermal research contract or for grant assistance may request information concerning proposal preparation and submission from:

Mr. Donald Klick
Program Manager
Extramural Geothermal Research
Mail Stop 906
National Center
U.S. Geological Survey
Reston, Virginia 22092

Proposals must be submitted by certified or registered mail so as to be received no later than 3 P.M. on January 13, 1975, at the address set forth below:

U.S. Geological Survey
Branch of Procurement and Contracts
Mail Stop 205 A
National Center

Attn: Mrs. Elizabeth A. Rudd, Chief
Geologic and Geophysical Contract Sections

FIFTY-SIXTH ANNUAL MEETING

OF AGU

WASHINGTON, D.C.
JUNE 16—20, 1975

The CALL FOR PAPERS for the Fifty-Sixth Annual Meeting of AGU will appear in the February and March issues of EOS, along with announcements of special and invited sessions. Abstract deadline will be mid-March. See February EOS for final details.
